

CLOSELINE®

CLOSER

Closeline, LLC, an established national title company with a strong local presence, has an opening in our corporate headquarters located in Rockville, MD for an experienced real estate settlement closer. The primary responsibility of this individual will be to explain closing documents to borrowers at the table. Secondary duties may include clearing title and general office work.

Applicants must have a minimum of one year of experience conducting closings of residential refinance and purchase transactions. A current Maryland and Virginia Notary Commission strongly preferred.

If you are seeking stable employment with a well established company, we would love to hear from you!

Closeline offers a competitive salary, benefits, and 401(k) in a technology oriented and friendly work environment.

Please e-mail your resume in Word format, along with your salary requirements format, to: jobs@closeline.com.
